## Parish 'Gift Card / Scrip Program'

The Parish is purchasing gift cards in bulk, at a discount, for Parishioners to purchase at face value. Think of these as 'gift' cards as 'CASH' CARDS.... Use them yourself as cash for your everyday shopping!

Gift cards/Cash cards that are usually in stock are listed on the attached order form, in the denominations listed. We have cards from \$5 to \$100, something for everyone..... Other cards can be ordered if you need specific cards. Orders are placed regularly, and usually arrive within a week of ordering.

Stop by the table at the back of church to ask any questions you may have. We typically sell at least once a month at weekend masses. These cards are also available at the Rectory from Tuesday thru Thursdays. We accept cash and checks for your purchases.

Please consider using this Program for some of your daily purchases..... Why not plan to use our program once a month or more. It costs you nothing (you get a \$25 card for your \$25, there are no additional fees with any of our cards), and the Parish makes money on each and every card sold!

This program is an ongoing Parish fundraiser, where the Parish makes on average 3% to 5% of the face value of the card.
